

## Need to boost productivity, cut costs, and adapt to new demands?

With Teksalah and EMC, the numbers are in your favor:

- Realize a 25% reduction in storage TCO in less than a year
- Reduce backup data and time by 90%
- Reduce data center space, power, and cooling costs by 70-80%
- Reduce e-mail operational costs by 50%
- Lower cost of compliance by 30-70%
- Decrease security spending by 150%
- Manage 3-4 times more servers, storage, and network devices without adding headcount

Teksalah and EMC are uniquely qualified to help you take a holistic approach that enables you to address IT challenges one at a time or across your entire information infrastructure. Our unmatched expertise and experience combined with the broadest range of industry-leading solutions will enable your business to thrive and to emerge from today's economy stronger than ever.
